Opis produktu

DARK FUNERAL - Angelus Exuro Pro Eternus (CD)

Klasyczne pudełko jewelcase, wydanie Osmose Productions.

"Angelus Exuro Pro Eternus" is the fifth satanic symphony by the Swedish black metal overlords and was originally put out in 2009. Once again produced by longtime sound master Peter Tägtgren (Hypocrisy) it was a more traditional masterpiece offering blasting tempo and hymn-like melodies to equal parts. Accompanied by five fantastic live tracks recoded in Buenos Aires (for the first time on audio CD) spanning the band's entire history it furthermore features remastered sound, new layouts, liner notes and unseen photos. A timeless black metal classic!

Re-issue, CD jewelcase, 16 page booklet on 135g art paper.
