FUNERAL - Praesentialis In Aeternum (Digipack CD)

CD in Digipak with 20-page booklet.

An early progenitor of funeral doom, Norway's FUNERAL have returned with 'Praesentialis in Aeternum', their first new album in nearly a decade! The quartet bring forth a soul-rending offering that is rife with agony and pain, providing a fitting soundtrack for the times. Crushing, mournful passages and soaring lead breaks amplify its sorrowful atmosphere, and are certain to rive the heart, mind, and soul of listeners.
