Opis produktu

GJENDOD (GJENDØD) - I Utakt Med Verden (CD)

Info : Compared to the sheer brutality of 'Angrep', 'I utakt med verden' is quite the opposite. If Angrep was the war, 'I utakt med verden' is conceptually the time after a lost one, where we lick our wounds and count our dead. Slowed down. Someone said that listening this album was like being trapped under water, and there was no chance to breathe air until the end of it.

Re-issue, in jewelbox (clear tray), inlay 2pp, full-color on 135g art paper, booklet 12pp, full-color on 135g art paper, all assembled and cellophaned.
