Opis produktu

KARMIC VOID - Armageddon Sun (12\"/>

- black, solid-colored & rough cartonstock with golden print
- 180g black vinyl

11 years after it's debut release, it's finally here; the vinyl version of one of the very first Terratur Possessions releases: KARMIC VOID!

This was the third release TP ever did and it has remained a favourite up until this day. We have for years tried to get this released again but the band wasn't interested, until now. It's with immense pleasure Terratur Possessions present a limited version of this manic Black Metal demo for the first time on vinyl format, the only material recorded by this project!
