### Opis produktu

#### **LEVIATHAN - Howl Mockery At The Cross (CD)**

Info : "Howl Mockery At The Cross" is a compilation by one-man black metal act Leviathan. With 2005's "Howl Mockery At The Cross" we have a collection of demos labelled by Wrest (The man behind Leviathan) as "Selections remembered from the damaged cassettes recorded from 2000-2002.", which he follows afterward with the comment "This is not a release of retrogression.... but of chronology".

Re-issue and final European version under compact disc.
