MAYHEM - Chimera (12\"/>

Black LP in gatefold.

MAYHEM once again travels into the dark landscapes and emerges with the darkest record yet. Having proven themselves ahead of the times with “Grand Declaration of War”, “Chimera” is a total return to the blackness that made them, and MAYHEM once again regains the throne of darkness that is rightfully theirs ! The following times will see a full-fledged world tour and the legend will continue to grow! Be warned !!!
