MINENWERFER / KOMMANDANT - Heimkehr LP

Info : Originally recorded in 2013 during the "Kriegserklärung" sessions and released in 2017 as a split with Kommandant. These tracks convey the aftermath of the Great War in early 1919 by covering the brutal street fighting of factions in the early Weimar Republic. Some of the fastest and most intense songs of the band's early period are here, as well as the first experimentation with neofolk.

300x heavyweight black 12" (180g) in a microtene innerbag, printed innersleeve, full-color on 220g carton (coated paper), jacket, full-color printed on 350g carton, coated paper (semi-gloss), all assembled in a plastic overbag. Specially remastered for vinyl with a complete new artwork and layout.
