MINENWERFER - Ostfront 14-15, 10"LP

Info : Originally released the "Ich hatt einen Kameraden" split with 1914 in 2016. This release evokes the cold winter battles of the early war in the East. These are the first recordings after the band's short hiatus; leading to a reinvigorated band writing some of the strongest songs in their discography. The four tracks on this release show a maturation in songwriting and clearly lay a path towards 2019's "Alpenpässe".

Re-issue, 300x black 10" in a microtene innerbag, printed innersleeve, full-color on 220g carton (coated paper); jacket, full-color printed on 350g carton, coated paper (semi-gloss), all assembled in a plastic overbag. Specially remastered for vinyl and complete new artwork and layout.
