Opis produktu

MINENWERFER - Pessimism 10"LP

Info : Originally released in 2017 as a split with Flak. Minenwerfer's more philosophical side shows the band experimenting with longer and more progressive song structures but not without a bit of irony as found in the choice of cover song.

Re-issue, 300x black 10" in a microtene innerbag, printed innersleeve, full-color on 220g carton (coated paper); jacket, full-color printed on 350g carton, coated paper (semi-gloss), all assembled in a plastic overbag. Specially remastered for vinyl with a complete new artwork and layout.
