NORTT - Dødssang LP

Clear vinyl limited to 200 copies

After a decade of silence, Danish black funeral doom artist Nortt returns with Dødssang, a new full-length album set for release through Avantgarde Music.

Carrying forward Nortt's signature blend of oppressive darkness and spectral melancholy, Dødssang is a descent into the void, a continuation of the artist's singular vision of despair and death. Stripped of light and hope, the album embodies the weight of mourning, weaving desolate funeral dirges with the cold nihilism of black metal. Each track unfolds like a slow collapse, where cavernous echoes and skeletal melodies drag the listener into the abyss.

Dødssang, Danish for death song, marks Nortt's first release since 2017's Endeligt, yet time has only deepened the artist's dedication to sonic misery. With its suffocating atmosphere and unrelenting gloom, the album reaffirms Nortt's place at the forefront of funeral doom's bleakest expressions.
