ABSU - Barathrum V.I.T.R.I.O.L. (25th Anniversary Official Deluxe Gatefold Reissue 12" LP)

The Crypt 2018, lim. 125 sztuk na czerwonym winylu

The Crypt is proud to announce the 25th Anniversary reissue LP of ABSU's debut masterpiece Barathrum: V.I.T.R.I.O.L. Supplying the original DAT tape by Proscriptor himself, this ultimate edition of cult, 90's Mythological Occult Metal has been newly mastered for LP. Quotes Proscriptor in regards to the sound of the new master: "I just scrutinized the album in its entirety and it is nothing more than pulverizing! Barathrum: V.I.T.R.I.O.L has never sounded ANY better." Rather than cluttering this reissue with non-essential bonus tracks, we decided to keep the album as a standalone and to not interrupt the flow and sheer power of the music. This LP will feature the original Osmose Productions band photo cover, which previously was only available in the 2010 box set.

To retain the classic feel of the original 1993 release, this gatefold edition is designed in the spirit of the original LP layout, with attention to detail, even down to the original typeface!
