Opis produktu

PESSIMIST - Blood For The Gods (12"LP)

Remaster on black 12" vinyl (33 rpm) in gatefold sleeve with printed sturdy inner sleeve. Including bonus tracks "The Pestilence" (Kreator cover) and "Mensa Rea" (demo). First pressing: 300 copies worldwide.

Initially released in 1999, this cult album is finally available on vinyl for the first time!

PESSIMIST solidified their place in American death metal history with the release of their sophomore full-length 'Blood for the Gods'.

Unforgiving blast beats, lightning fast picking, and dark melodies define the record's brutal prowess.

For fans of Pestilence, Vader and Morbid Angel.

Artwork by Mike Harrison (aka Unkindesign).
