PHLEGEIN - Labyrinth of Wonder (mCD)

Northern Heritage 2021

From the shadows of Finnish Black Metal underground, returns Phlegein with new mini album. Intro and four songs continue the path band has chosen. Always couple steps forward, introducing something new, yet keeping faithful for the foundations that Phlegein is known for.

Phlegein has always focused on good song writing, lyrics where vision is clearly to be seen, sound that is sharp and to the point. "Labyrinth of Wonder" displays that despite low profile and rejection of most of genre publicity may leave most people unaware of their existence, Phlegein is a force that one should acknowledge among the very best of contemporary Finnish Black Metal.
