Piołun is a black metal band inspired by the Scandinavian and Polish black metal of the 90's with a hint of nowadays black metal.

Piołun is the musical legacy of **Oremus**, composed by Sorh. Line-up changes as well as slightly different lyrical concept were the main reasons behind the decision to form a new band.

The founder of Piołun is also known as XCIII - the guitarist of **Blaze of Perdition** and **Oremus**, guitarist of **Manbryne**.

Line-up:

Sorh - songwriting, guitars, vocals & lyrics

Neither - bass

Vitor - drums

Discography:

Rzeki Goryczy - full length album, 2022 (Malignant Voices CD / Terratur Possessions LP)

Exolvuntur - full length album, 2026 (Malignant Voices CD/LP)
