DETERIORATE - Rotting in Hell (2LP) THE CRYPT 2018, RED VINYL

DARK SYMPHONIES / THE CRYPT is proud to announce our cooperation with legendary American Death metal act DETERIORATE to reissue their amazing 1993 debut album "Rotting in Hell." Grisly, raw and extremely heavy death metal played with uncompromising brutality, the way it was meant to be played. We are proud to offer this amazing classic death release on vinyl for the first time! Included as a bonus are the band's 1992 self titled demo and their 1993 "Agonized Display" Demo.

The 2LP set is designed after the original 1993 JL America release, featuring original cover artwork, taking elements from the original layout with attention to detail, even down to the logo and typeface for a touch of nostalgia. Also included are unpublished classic band photos, flyers and brand new liner notes from original founding members Frank Ierovante.

2LP Red vinyl limited to 125 copies in a gatefold sleeve.
