Opis produktu

NECROPHILIAC (Esp): Chaopula - Citadel of Mirrors + Demos Official DLP (CRYPT 50) WYDANIE THE CRYPT GATEFOLD, CZERWONY (Oxoblood) PODWÓJNY WINYL, lim. 200 After 5 long years, we are finally ready to unleash the official reissue LP from one of Spain's premiere death metal acts. Our 50th release on the CRYPT is 1992's classic offering from NECROPHILIAC - "Chaopula - Citadel Of Mirrors". A dark and atmospheric, brutal work of pure, classic death metal laced with doom elements, guaranteed to satisfy all fans of dark and extreme metal. Included is a bonus LP with the band's 1989 "Infernal Exorcism" demo and their 1991 "Visceral Fruit" demo!

This gem is presented with the original unaltered artwork in a 350 gram sturdy gatefold jacket with the original layout from the 1992 LP and the jacket is designed after the original Drowned Productions release, taking elements from the original layout with attention to detail, even down to the logo and typeface for a touch of nostalgia. 200 copies will be on Oxblood vinyl and 200 sets on crystal clear vinyl.
