Opis produktu

ROTTEN SOUND - Apocalypse (Digipack CD)

CD in deluxe Digipak printed on the rough side of the board with 16-page booklet.

The apocalypse is nigh and Finnish grindcore entity ROTTEN SOUND has crafted the perfect soundtrack to accompany humanity's impending extinction. Aptly titled 'Apocalypse,' the band's eighth studio album is dropping into 2023 with the same blistering speed and chaotic impetus as an asteroid searing through atmosphere and crushing everything upon impact. Each song delivering abrupt yet violent aftershocks, delivering an auditory assault with its unstoppable, seismic force.

For fans of NAPALM DEATH, BRUTAL TRUTH, PIG DESTROYER, NOISEM.
