Producent	Pulverised Records

Opis produktu

Wydanie Pulverised Records. CD zafoliowane fabrycznie.

Extremely putrid-fresh from the cabalistic land of Sweden comes Death Metal supremos TEMISTO, with their brand new debut magnum-occultus simply entitled "Temisto".

Blending a perfect mix of the blasphemous nature that is Death Metal with bursts of intricate maze-like passages executed with razor sharp precision, TEMISTO undoubtedly exudes an unspeakable zeal for the obscurity and unworldly.

Produced and engineered by ex-Morbus Chron frontman Robert Andersson with Elias Scharmer (ex-Abduction, ex-Mutilate) and then painstakingly mastered at Necromorbus Studio by Tore Stjerna (Watain, Desultory, Repugnant, etc). Also featuring the gracefully morbid artwork of Obsessed By Cruelty (Enforcer, Sabbat, Wolfbrigade, etc).

For fans of Autopsy, Morbus Chron, Obliteration, Morbid Angel, etc!
