ROTTEN SOUND - Abuse To Suffer (12\"/>

Black 12\"/>

Grindcore is not for the faint of heart and ROTTEN SOUND do not subscribe to the idea of compromise. 'Abuse To Suffer' remains true to the band's resilient roots, while not falling into the traps of chewing endlessly on an old formula gone stale or not daring to add an element of surprise when fitting the style. What sets ROTTEN SOUND apart from other protagonists in the field is an obvious intelligence that shows in their to-the-point songwriting, arrangements, and subtle inclusion of choice death metal elements in their massive sound. With 'Abuse To Suffer', ROTTEN SOUND are hammering out an album that equally acknowledges the band's celebrated past as well as breaking into some new harsh ground that keeps the fire burning.

For fans of NAPALM DEATH, MISERY INDEX, BRUTAL TRUTH, NASUM, PIG DESTROYER.
