Opis produktu

SEVERE TORTURE - Fisting the Sockets (Digipack CD)

CD in 4-page Digipak.

'Fisting the Sockets' is SEVERE TORTURE's first release in 12 years. The Dutch death metal act has renewed their deal with Season of Mist and if it wasn't for a certain pandemic this brand new EP would have been released much earlier. SEVERE TORTURE are currently recording their full-length album, to be released early 2023 through Season of Mist.

For fans of SUFFOCATION, DEEDS OF FLESH, DEFEATED SANITY.
