Opis produktu

VANHELGA - Fredagsmys (Digipack CD)

Info : VANHELGA's music can doubtlessly be classed as black metal, but that would be too restrictive a definition. Their music is cold and sinister but with melodies and melancholic moments that can draw you in and lull you into a false sense of security before you realize, too late, that you have been caught in an ominous web of sound that sends shivers down your spine.

Limited edition Digipack CD to 1000 copies first run.
