VORDR - Vodr (Digipack CD)

-Frantic, minimalistic Black Metal from Finland.

After over 16 years of existence, Vodr should be known to most underground fanatics and has over the years gathered quite the following. With four albums and no less than thirteen other various outputs, most of these self-titled, the band is now back with a new album, aptly entitled "Vodr". 15 tracks of pure, riff based BLACK METAL.

In Norse mythology, a vörðr ("warden," "watcher" or "caretaker") is a warden spirit, believed to follow from birth to death the soul (hugr) of every person.
