Opis produktu

CRAFT - Terror, Propaganda - Second Black Metal Attack (silver 12"LP)

Crystal Clear 12" vinyl (33 rpm) in deluxe jacket with gloss laminate and 30 x 60cm poster.
Limited to 500 copies worldwide

Originally released in 2002, CRAFT's 'Terror Propaganda' saw the cult Swedish black metal band sharpen their knives and delivering one of their most focused albums. Long out of print, the uncompromising 'Terror Propaganda' is some of the most grim and hideous European black metal. On it CRAFT take influence from the old guard (genre cornerstones such as BATHORY and CELTIC FROST) and combine these with their own stamp of sonic violence. 'Terror Propaganda' is one of CRAFT's most unforgiving records, and remains a highlight to this day.

For fans of early-DARKTHRONE, ARMAGEDDA, PEST, URGEHAL, TSJUDER.
