Opis produktu

DEUS MORTEM - Kosmocide (CD)

Wydanie Terratur Possessions 2019

Nowy (duży) album Deus Mortem

6-panelowy digipack z 12-stronicową książeczkę z tekstami.

On 'Kosmocide', the band stretches their musical influences even further than before, drawing inspirations from classic Black Metal acts, whilst still being able to maintain the 'Deus Mortem-sound' we've come to know over the years. Its epic, its aggressive, lightning fast as well as dynamic and structured, the album displays worldclass musicianship, crowned with masterful production by M./Mgla and stunning artworks by Artem Grigoryev and Ihasan Art. 'Kosmocide' is an esoteric journey, through tragedies, death and destruction of universal laws – straight to the womb of the raging Chaos.
Layout - Kontamination Design.
