Opis produktu

MORK GRYNING - Maelstrom Chaos (Digipack CD)

WYSYŁKA OD OKOŁO 30 STYCZNIA 2021

CD in Digipak with 12-page booklet with liner notes by Olivier 'Zoltar' Badin.

Re-issue of MÖRK GRYNING's third full-length 'Maelstrom Chaos'.

Swedish melodic black metallers MÖRK GRYNING's third record 'Maelstrom Chaos' was recorded in the legendary Grieghallen Studios in Bergen, Norway and produced by Norwegian producer Pytten (MAYHEM, BURZUM, EMPEROR). Taking a more orchestral approach with epic arrangements and longer songs, this album is seen as the most bombastic of the band's discography to date, culminating with the incorporation of Mozart's "Lacrimosa" in the song "The Menace".

Tracklist :
